

# CREATIVE TOUCH PCT-101

## INTERACTIVE PROJECTION SCREEN

Pad-like touch experience with up to 30 touch points

Accurate & instant response

Compatible with whiteboard dry-erase markers

Attachable to curved surface or column

## Creative Touch 101-inch capacitive multi-touch screen

Create an interactive projection experience using the Optoma Creative Touch PCT-101 multi-touch screen and an ultra short throw projector<sup>1</sup>. Projected capacitive touch technology delivers smooth and precise touch response with up to 30 touch points.

Connect to Windows, Mac OS and Chrome OS systems via USB for easy plug and play connectivity. Optoma Interactive Plus software provides annotation features for creative collaboration or lesson plans, making it ideal for classrooms and training rooms.
