

BE Live2

NU FORCE

Affordable Wireless Earbuds

Listen in style.

The NuForce BE Live2 delivers an unprecedented audio experience at an affordable price, providing the perfect option for everyday use and on-the-go lifestyles. Featuring an IPX5 rating for sweat proof and water resistance, a microphone for calls, 10-hour battery life, AAC audio compatibility, aluminum housings and stylish design, the NuForce BE Live2 provides a seamless wireless audio experience.

Features:

- **Quality Sound:** The BE Live2 earphones deliver maximum audio quality with AAC technology for low latency audio when paired with Apple iOS and the latest Android products.
- **Durable, Functional Design:** Crafted from aluminum with polycarbonate and equipped with a Kevlar reinforced cable, the BE Live2 offers a stylish, light weight and sturdy design. Magnets embedded into each earpiece allows tangle-free storage and portability.
- **Comfort:** Angled ear nozzles ensure comfortable fitment with improved noise isolation and superior stability.
- **Talk & Control:** An in-line remote make it easy to control volume, media playback and activate Siri or Google Assistant without taking the phone out of your pocket.
- **Long Battery Life:** Enjoy up to 10 hours of continuous music enjoyment on-the-go.
- **Sweat Proof:** An IPX5 rating ensures water and weather resistance for reliable use without letting rain, dust or sweat interrupting your listening experience.
- **Classic Color Options:** Available in black or silver.
