

PJ639S *The Compact and powerful projector*

*This projector model only available for Vietnam market.

- Bright 3900 ANSI lumens
- 32,000:1 high contrast ratio
- Powerful audio with built-in 10W speaker
- ECO+ mode for extended lamp life up to 15,000 hours

Brighter Performance

The best choice in medium-sized spaces with this projector. Perfect for lights on viewing and a vibrant picture for all conditions.

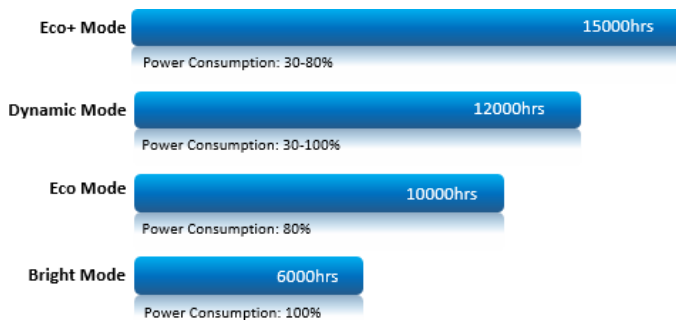

High Contrast

Add more depth to your image with outstanding colors and exceptional black and white contrast performance. The image comes alive and text appears crisp and clear.

15,000 hour Lamp Life

Via the extended Lamp Life Mode (Eco+), to maximum the projector efficiency with Low TCO.

USB Power

The built-in USB power output (5V/1.5A) can be utilized to provide power for your streaming dongles such as Chromecast, HDCast Pro, or mobile devices. Charge your mobile devices simply by plugging in your USB charging cable.

Built-in speaker

A powerful integrated 10W speaker allows your content to be heard clearly and is easy to set up without purchasing external speakers.

HDCast Pro Dongle (*Optional)

With an optional HDCastPro dongle, you can wirelessly connect to your laptop, tablet or mobile device and share your streaming videos, photos or documents to the big screen. Especially designed for business and education environments, up to 4 computers can project the content simultaneously.

Low Noise

Only 26dB, quieter than a Whisper
